What do you like about Green County?

Green County has an incredible group of dedicated people who are passionate about this community. Everyone I have met wants to make sure they are doing the right thing for their neighbors, friends and family.

What do you see as opportunities in Green County to carry us forward?

We must grow as a community. We have so many incredible things to share. Yet we need housing to be able to expand those who invest in this community.

What is your future vision for Green County and for SSM? I see Green County and SSM Health continuing to be strong partners who strive to serve all in this community.

Why did SSM become an investor in GCDC?

SSM Health believes that it is through development of our county that we all become stronger. GCDC is an integral part of that support and growth. Together we work to raise issues and remove barriers for our continued vibrancy.

Services provided by Green County Development Corporation, a 501c3 non-profit organization, are made possible through a combination of public and private investments.
